1. Recognition of the United Nations International Children's Emergency Fund (UNICEF) must await the formation of a central government, which will take five months.
2. Meanwhile, only the medical program is permitted to be carried out. Dr. Leo Eloesser, head of the North China UNICEF, is making no headway with his over-all program, and the only alternative is to cease functioning completely. Dr. Eloesser is planning a trip to Tsinan for a month.
